

FY 2010 Justice Assistance Grant Recovery Act: Technology, Electronic Information Sharing, and Evaluation Capacity Improvement Program: The District of Columbia Justice Grants Administration announces funds to build organizational capacity to employ cutting-edge technology and/or capture, store and share electronic information and/or conduct evaluations that will help the District to better prevent crime; improve case processing; improve systems coordination and information sharing; and provide outcome data on program operations and performance that can help the District to better determine how to invest criminal justice resources. Applications that identify peer learning and/or technical assistance partners around the implementation of data/technological improvements, and applications submitted collaboratively on behalf of multiple agencies around information sharing, are strongly encouraged.

Eligibility: Community-based organizations, District and Federal agencies that have the demonstrated abilities to meet the funding priorities, outputs, outcomes, and required activities identified in the Request for Applications (RFA), and who are able to commit to complying with all JGA financial, administrative, and programmatic regulations and expectations.

Deadline: 5:00 p.m. on Friday, **May 8, 2009**.

Funds: \$1,000,000 is available to fund up to five (5) awards
